About the play

BOOM! The BOMBSHELLS are in the room!

Mary, the teenager desperate to win the school talent show.

Theresa, the blushing bride-to-be getting ready for her wedding.

Meryl, the exhausted mum who just wants some peace and quiet.

Tiggy, the abandoned wife who seeks solace in caring for cacti.

Zoe, the washed-out diva on her comeback tour.

Winsome, the widow who gets more than she bargained for when she does some charity work.

Take a hilarious peek into the lives of our six BOMBSHELLS - they'll blow your socks off!
